***Founders Bonus Pool**

Founders Bonus Pool is a program whereby each quarter, 2% of Jeunesse's CV from worldwide sales is distributed to Distributors who have purchased the Founders Bonus Pool Package. The Bonus is distributed fairly based on the number of shares earned by Founders Bonus participants all around the world.

- Requirements for Qualifying for the Founders Bonus Pool :
- The Participant themselves has purchased a Founders Package
 - The Participant is maintaining 60 CV worth of SmartDelivery in each predetermined quarter
 - The Participant must have five personally sponsored Distributors or five Customers on SmartDelivery for the entire predetermined quarter

- <Points to Note>
- The predetermined quarters are as follows:
Jan. 1 - Mar. 31, Apr. 1 - Jun. 30, Jul. 1 - Sep. 30 and Oct. 1 - Dec. 31.
 - If the month of a purchase is the first month of any given quarter, a Distributor will only qualify if they have successful SmartDelivery orders in the second or third months of that quarter, however SmartDelivery registration must be made effective at the time of enrollment.
 - If a Distributor qualifies for Founders Bonus Pool after the first month of the quarter, that quarter will not be counted in the calculation scope.

Personal Volume (PV) + Personal Group Volume (PGV) ÷ 1,000
Example of share calculation: (500 PV + 1,500 PGV) ÷ 1,000 = 2 shares

Personal Volume (PV): CV the Participant have accumulated through your own purchases
Personal Group Volume (PGV) included in the share calculation scope:

: Total CV accumulated through product purchases by the first 3 levels of your enroller tree
