**Create-A-Package (online orders only)**

The Create-A-Package option is a great alternative to the standard product packages for your new member who want to customise their initial order. Please put together a package so it equates to 100 CV or more. Please be aware that the CV settings for Create-A-Package differ to the CV settings for individual products.  
Retail Sales Bonus : 100-199CV=10% of the product price 200-299CV=12% 300CV 以上 =15%

\*It is better value for money to purchase a Sign-up Package rather than individual products.

\*Furthermore, when you purchase 1 Year Best Seller, Ambassador, RESERVE & M1ND Jumbo, Jumbo, Supreme or Upgrade, you will be granted a title level and obtain the right to receive commission in line with the granted title during the relevant period. However, the distributor needs to hit Executive rank.

E.g.) If you purchase an Ambassador Package, even if you have not achieved that rank (title) you will acquire the right to receive up to Level 3 Leadership Matching Bonus as a Sapphire ranking member for 180 days only.
